### **What cheerleaders need:**

- Cheer shoes (Clean gym shoes work as well)
- Athletic clothing (t-shirt and shorts are perfect!)

### **Information and overview**

This tumble and stunt clinic will help teach both new and experienced cheerleaders stunting and tumbling skills! Starting from the basics and moving to more advanced skills throughout the 4-week camp!

This is a structured open gym, meaning that we will have time with group work and instruction as well as having time for cheerleaders to work on skills of their choosing.

We will continue later in the summer with a routine-based cheer camp at Gold Medal in July.
